

The Clarke Family Nurse Practitioner program has a 100% board passage rate and a 100% employment rate. Our graduates take positions within an approximate 200-mile radius.

Graduates of Clarke's Doctor of Physical Therapy program have a 98% pass rate on the licensure exam and a 100% employment rate.

9 out of 10 graduates report their Clarke graduate degree gave them the opportunity to improve critical thinking, analytical reasoning, and communication skills.

Debra Gallagher, RN, BSN, from Gay Mills, Wis., and Andrea Simmons, MSN, RN, CPN, of Belmont, Wis., were awarded \$2,000 scholarships to registered nurses who demonstrate the potential of making a contribution to nursing in Wisconsin. Gallagher is an emergency department nurse at Upland Hills Health in Dodgeville. Simmons is a nursing education specialist for surgical services at the University of Wisconsin Hospital/American Family Children's Hospital.

In Fall of 2012, in the Undergraduate Sales Management class, taught by B'Ann Dittmar, students utilized their persuasion, negotiation and sales skills to fund raise \$5,500 from local area businesses to support Clarke tuition scholarships.
