OTHER IMPORTANT NOTES:

MATH 220 must be completed with at least a C- before or as a co-requisite to Nursing Research. Math proficiency is required prior to enrolling in MATH 220

Microbiology must be completed prior to the beginning of junior year.

Please note that some requirements may vary for transfer students.

Documentation of health status is required prior to beginning health assessment.

The following courses are taken as either a fall or spring class:

- HLTH 122 (Nutrition)
- MATH 220 (Statistics)
- NURS 111 (Perspectives of Nursing)
- NURS 322 (Nursing Research)

6 credits of Social Sciences are required prior to admission to the major. Appropriate options include:

- PYSC 111 (Introductory Psychology)
- PSYC 121 (Child and Adolescent Development)
- SOC 101 (Introduction to Sociology)

Compass Seminar III must be taken in Junior or Senior year.
