Committees

Policies & Benefits

Staff Recognition and Professional Development

- consider breaking this up into two committees

There may be some ways to restructure to make these committees more bearable.

Is there a place to share what staff are doing for volunteering- is there a way to recognizing this?

Wednesdays are best for general assembly meetings.

Have one person one function -- Chair and Vice Chair and Secretary are not on committees, anyone not currently on a committee will choose one to be on and then any moves will happen as needed.

Mary Jo will be secretary

Have had feedback about emails VS calendar appointments - have had suggestions about sending out calendar appointments. We are not going to do this.

Bring Your Pet to work day- Pet Picnic - Forget the chairs- have it in the atrium so we don't have to pay for chair rental as it was expensive last year.
